Course (New) - Creation/Delivery: Conventional

2009 - Course (New) - Creation/Delivery: Conventional. Created online content for Tech 7355.

2008 - Course (New) - Creation/Delivery: Conventional. Developed TECH 8390 MS Research Practicum as a new course.

2008 - Course (New) - Creation/Delivery: Conventional. Developed TECH 5F50 as a new course and custom text

2007 - Course (New) - Creation/Delivery: Conventional. Developed TECH 6368: Data Components - Summer 2007

Course (New) - Creation/Delivery: Online

2009 - Course (New) - Creation/Delivery: Online. Merged Tech 6367 and 6368 into 1 course

2009 - Course (New) - Creation/Delivery: Online. Created TECH 8390 MS Research Practicum Online

2008 - Course (New) - Creation/Delivery: Online. Created TECH 5F50 as the first online foundations course - Spring 2008

2007 - Course (New) - Creation/Delivery: Online. Developed TECH 6368: Data Components as online class - Fall 2007

Innovations in Course Content / Presentation

2008 - Innovations in Course Content / Presentation. Developed interactive flash quizzes for use in TECH 5F50

2008 - Innovations in Course Content / Presentation. Integrated Oracle, ER-Studio, and DB-Artisan into TECH 6368 and created the first virtual lab at UD

2007 - Innovations in Course Content / Presentation. Developed M-Learning solutions for TECH 5150 and TECH 6368

2007 - Innovations in Course Content / Presentation. Integrated SSL VPN solutions for IT classes at UD

2007 - Innovations in Course Content / Presentation. Introduced Respondus into the UD online and onground learning environments for use in TECH 5150 and 6368

Other Teaching Activities

2007 - Other Teaching Activities. Assisted and accompanied capstone class to Darby, England for the technical assessment of Patton Air
